Education **Electrical Engineering**
University **Institute Technology Surabaya**
University Location **Surabaya, East Java, Indonesia**
Date CPE1 Awarded **April 2, 2016**

Summary

I am an electrical engineer who specializes in control system.

Currently, I am a project support control staff at PT. Dayamitra Telekomunikasi or Mitratel where I handle construction of tower infrastructure. I oversee operations of several vendors working on the project.

I am especially apt in drawing realistically which requires good observation skills as well as drawing creatively. I am constantly improving my foreign language ability, English and Japanese. I am currently working to increase my typing skills and speed. For the future I plan to focus on System Engineering.
