

WAHYU DIANING TIYAS, ST.,CPE 1

Education	Bachelor in Chemical Engineering
University	Sultan Ageng Tirtayasa University
University Location	Cilegon, Banten, Indonesia
Date CPE1 Awarded	February 25, 2016

Summary

I was a lead utility worker for around two years, delivery focused, able to build teams, and establish project standards. I am highly industrious and safety-minded with hands-on experience in performing repair and maintenance on several systems. I excel in water treatment, waste water treatment, and assisting lead technicians repairing utility tools. I am passionate about water treatment, waste water treatment and environmental management system.

Work History

November 17, 2014 – Present PT. Wahana Citra Nabati (Utility Supervisor)
